A FEW WORDS FROM THE PRES...

We did have a real good New Years Party here in San Pedro, with about 70 people having a good time. We had Pulled Pork and rice with lots of extra food that people brought.

Now the important stuff; fishing is good, especially top water early and late with three and four pounders. The water is still holding up good at the upper ramp at White Post and the weather is beautiful.

We had a big mix-up on the fishing tournament in that the Super Bowl was always the last Sunday in January but this year it is changed to February seventh, so now the fishing tournament will be on that weekend. The sign-in will be at Jerry Armijo's Palace on Thursday February 4th, 2010 with fishing on Friday and Saturday, February 5th and 6th. Jerry Armijo is running the show. He is feeling much better.

As of this date, Monday January 4th we have no news about the airport. It is still closed and the government offices do not open till Wednesday. This sure has caused a lot of problems for a bunch of our members as well as the local economy.

That's it for now-Lets go fishing!!
